	<p>PEOPLE FOR ANIMALS DELHI received for People for Animals Chennai. This year an ambulance was bought and the other funds received from Help Animals India, was greatly useful to rescue and save more lives and to improve the quality of life and comfort levels of the 1000 odd animals we look after at our shelter at Redhills , Chennai. The blind, the sick the dying, the abandoned the condemned and those rescued from slaughter - all victims of purposeful human violence - they all find shelter with us. We strive to take animal welfare beyond just care and work hard to make the shelter a happy home for them until their natural death. The funds we received from Help Animal India were greatly used towards this goal we aspire to achieve. Working towards this front, the generous help we received from Help Animals India, went towards the purchase of good quality and bountiful a bountiful supply of cat food for the more than hundred cats in our shelter and their life saving drugs The funds also helped us neuter the cats and helped us expose and rescue cats from the cat meat trade that the gypsy community in Chennai indulge In. The three hundred and more dogs we look after are all abandoned pets and dogs rescued from accidents We have a gentle vet with a healing hand , who we are able to remunerate generously (\$800/month) with the help of these funds .A vet who is sensitive to the psychological trauma that pets endure when abandoned by their owners and hence we adopt a line of care and treatment which is on a dog to dog basis being sensitive to each of their individual needs. It had been two years of intense anguish for us as were hit by two natural catastrophes within the span of 12 months - floods and a cyclone . Again we were able to survive the destruction it wrought, rebuild and renovate the shelter , especially the equine shelter ,with the help of the funds we received from Help Animals India . The Board of Trustees and animals at People for Animals Chennai remain ever grateful for the generous support we have received from Help Animals India towards the care of our animals and maintenance of our shelter for animals .</p>	18,040	18,000	0
	<p>\$8,600 was received by Sarnath Animal Welfare through the Sarvodaya Vets for street dog sterilization and care. The grant was used to sterilize a further 400 dogs in 2016 and was essential for the continued success of the Program in the village of Sarnath in UP India. Sarnath is a very poor village and surrounding area is also extremely impoverished. As a result rabies is rampant. Therefore the sterilization of dogs helps to eradicate this problem for the villagers and their children. With the street dog population under control, the dogs are healthier. Also with this grant we were able to hold awareness classes in the schools and surrounding villages that lasted for almost a week. We teach the local children how to prevent dog bites. Help Animals India's grant is so important to this community and we would not be able to continue without their help. We plan to continue a yearly Animal Birth Control Camp with awareness component.</p>	8,640	8,600	0
