Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission: Help Animals India is a 501c3 organization dedicated to improving the lives and welfare of animals by providing financial and consultation to support and build capacity of animal rescue groups in India and Nepal while connecting donors with the most promising and needful groups, ensuring donors' support is spent responsibly and effectively, and thereby cultivating a culture of compassion for all animals

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? [] Yes [x] No If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? [] Yes [x] No If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 62,150 including grants of \$ 62,000) (Revenue \$ 0) \$ 62000 USD (INR 45, 99,720) Grant (20.07.2021- INR 20, 05,695 (USD 27000) + 24.11.2021 - INR 25, 94,025 (USD 35000) WRRC (Wildlife Rescue and Rehabilitation Center) in Bangalore received their annual grant which was utilized for elephant care and rehabilitation between Jan.2021 to Jan.2022. WRRC has been working consistently in the field of captive elephants in India. Through research, studies, publications and in-field care of captive elephants, they have created an awareness of their plight in the country. The Elephant Care Facility in Malur, Karnataka first welcomed 50-year old handicapped elephant Aneesha as its first resident in 2015 and another resident rescued elephant Gowri in 2018. In Sept. 2021, the ECF in Malur was blessed with another 21 year old female elephant in their fold named Durga Parvathy. These three elephants have made the life changing transfer from a life of submission, complete isolation, and limited housing conditions to happy, chain-free days by gradually using positive reinforcement techniques. The grant amount which has been utilized has benefitted three elephants, six mahouts and several other staff and associates who are either directly or indirectly engaging with the elephant rehabilitation project as well as general elephant advocacy. The grant helped to buy a beautiful and useful Bolero Camper vehicle for carrying supplies, staff and other materials to center from different locations. It has been embossed with Help Animals India logo as donor.

4b (Code:) (Expenses \$ 37,150 including grants of \$ 37,000) (Revenue \$ 0) Karuna Society is extremely grateful for your generous ongoing financial support! In 2021 we received four (4) donations from Help Animals India, totalling \$37,000! (WOW!) The \$10,000 (Rs 7,19,034) received in March 2021 gave us critical help with food and medicine expenses, especially for our over 200 rescued cattle during the drought time when we had to buy all of their fodder because green grass was not growing in the forest. The July 2021 grant of \$7,000 (Rs 5,15,124) was a life-saver to help us with salaries for our hard working staff who care for the animals, at a time when donations had dried up and other supporters were not willing to pay for the caretakers who are instrumental in saving animals! In November, our area of Puttaparthi, Andhra Pradesh was hit with unprecedented flooding which collapsed bridges which our employees used to get to work. The donations of \$15,000 (Rs 11,10,750) sent in November 2021 and \$5,000 (Rs 3,73,500) sent in December 2021 helped us extensively with cleaning roadways, reaching out to rescue stranded animals, and making sure our animals had food and medical supplies when the town was all but closed down for weeks. THANK YOU AGAIN, HELP ANIMALS INDIA, FOR YOUR BOUNTIFUL ASSISTANCE IN 2021!

4c (Code:) (Expenses \$ 19,510 including grants of \$ 19,360) (Revenue \$ 0) Year 2020 saw a valiant effort from team PRAYAS as despite life getting disturbed due to COVID, the team worked hard to not only build two new shelters but continued the rescues. So in the year 2021 we had a head start from the momentum we got from 2020 and due to timely and valuable grants from HAI, we could get the regular operations on track and also complete our rehoming shelter which hugely propelled out adoptions and rehabilitation program, and not to forget the SPAY-NEUTER program. The grants were used to cover the medical expenses for the rescue, spot treatments, shelter treatment, spay neuter and vaccination. Due to the new shelters and systems getting set, we also saw a great improvement in our results. Later in the year, in SEPT-OCT 2021, we had this game changing event at our shelter, which has made a remarkable difference in our operations. We had a chance to host a training program on surgical procedures and shelter management by the world's top organization Worldwide Veterinary Services WVS - Mission Rabies. It was a great intervention where along with performing 100+ sterilizations in a month, we were able to train our VETs and assistants and also volunteers for Spay-Neuter and Shelter management. Third Program Service Accomplishments Description

Description

major credit for the successful program goes to HAI, as we used the grants to sponsor our improved and efficient Spay- Neuter program that started with this intervention. A relatively smaller part of the grants was also used for maintaining and improving the Adoption kennels at our rehabilitation shelter, and we are seeing excellent improvement in our adoptions. We have reached a new high in our successful adoptions numbers. The total number of cases performed including rescues, spot treatment, shelter patients for the 2021 is at an all time high at 26,495. The total successful adoptions were 78. We are highly motivated and committed to take our work a notch higher and look forward to continued support from Help Animals India.

Activity Code	Description	Expense	Grants	Revenue
	<p>Just Be Friendly (JBF) is an animal welfare organization located in Guwahati, Assam, India and provides free care to street animals, predominantly street dogs and cows. JBF would like to highlight in brief a few responsibilities we shouldered towards making the world a better place to live with the support and cooperation from Help Animal India and to them who supported Help Animal India in making it possible. Just Be Friendly (JBF) in Guwahati, Assam (NE India) , received from Help Animals India 1. 8000 USD on 27.1.21 (Part 1) 2. 17000 USD on 10.9.21 (Part 2) 3. 15000 USD on 30.12.21 (Part 3) 1. At Lido in Margherita, Assam, ABC-ARV program was undertaken to spay and neuter to control the population of dogs at the Monastery. It was a great successful project and an achievement for JBF beyond religion. 2. On the occasion of World Spay Day many community dogs have been spayed and neutered. Leaflets too were distributed among the public to create awareness on the benefits of animal birth control. 3. The SUZI'S WHEEL, the four -wheeler undoubtedly was a big boon to JBF as it was instrumental in helping JBF to multi-task activities right from rescuing animals to helping in construction work of JIRAW, conducting outstation ABC-ARV programs etc. All these were made possible only because of the ample support we received from you. 4. During the lockdown period due to the pandemic (COVID19), stray animals could be fed with animal food because hundreds of strays were starving and thought of making a difference. JBF even handed over food packets to Assam Police, other small organizations and individual feeders and animal lovers, so that no nook and cranny remained untouched. 5. Last but not least, Assam is one state which is mostly affected by seasonal flood which renders helpless and homeless many animals and humans alike. JBF has been constantly rendering its service and conducted post flood veterinary support camps in most of the affected areas particularly in fringe areas of Kaziranga -a domain of animals especially home to the one horned rhino. Whatever we have accomplished till now was possible because of the help and support we received on different occasions. Still there is so much to do. To continue with our efforts to bring smiles on the faces of our animal friends, we'll also look forward to your help and support. "Not all of us can do great things. But we can do small things with great love." -Mother Teresa The above words hold great significance for us at JBF, India because we believe in bringing about changes in the lives of humans and animals alike with nothing but love - great love. That, accomplishing what we had till now and aspire to accomplish in the coming days, wouldn't have been possible and of course will become possible only because there are people who tend to act selflessly, who never put their self before acts of kindness, compassion and the unconditional donation and support they spread. JBF conveys its heartfelt gratitude for them. Nothing sounds more apt at this point other than what Helen Keller once said, "Alone we can do so little; together we can do so much."</p>	40,150	40,000	0
	<p>PFA Dehradun Raahat for Animals Shelter was able to complete the following projects with the help of the grant money received, from Help Animals India, in the year 2021 a. . Renovation of the Existing Cattle & Equine Housing The above has greatly improved upon the living and treatment conditions of the rescue equines and cattle in our care. b. Building of New Shed for large Animals The above has helped increase our housing capacity for large animals. Given that Raahat is the only shelter that houses all animals, it will help us reach out to even more rescues, from cruelty as well as injuries and ailments. c. New Housing for Rescue Goats As mentioned, Raahat is the only all animal shelter in the city and diverse facilities help us reach out to all kind of rescue animals. The new goat quarters has helped us to completely segregate them from our cattle and equines ensuring their better safety. d. Staff Facilities More caregivers, and better facilities for them, helps us to look after the animals better. HAI funding this time around helped us to create a much needed facility for our female caregivers. e. Street Dog & Cat Sterilization - Vet Fee</p>	23,150	23,000	0

\$7000 (NRs. 818,516) from Help Animals India for sterilization of 303 street dogs Services delivered: Through collaboration with Sneha's Care, we vaccinated 1225 street dogs against rabies and sterilized 40 street dogs during July 2020. With the COVID pandemic still very active, protective measures, including masks, were taken by staff from both organizations. Impact accomplished: These activities reduced the risk of rabies in the community as well as the suffering of street dogs that, unfortunately, often goes unnoticed. Our work on the streets also engaged community members in caring and learning about these innocent creatures. They learned that rabies vaccinations reduce the danger of dog bites and that sterilizing dogs reduces the size of the street dog population. Community members even joined in to help us in our efforts to care for the street dogs in their neighborhood. Since these female street dogs were not sterilized, they have given birth to many litters. Very few, if any, of their puppies survived due to the harsh conditions on the street including lack of shelter, malnourishment, or mistreatment by humans. - The community showed little compassion for the suffering of these street dogs. Instead, they complained about the increasing number of dogs in this area (due to lack of sterilizations) and any dog-bite cases (often because mother dogs are protecting their pups from stones/sticks thrown at them by locals). - Because they saw these street dogs as a nuisance, community members had actually threatened to relocate them to a jungle or poison them. - The pandemic lockdown interfered with those threats and also brought Project Humane Nepal (PHN) onto the scene to feed these dogs through the lockdown. PHN took the time to talk with community members. We assured them that we would take care of the vaccination and sterilization of all these street dogs. We were delighted to find out that one of our young neighborhood helpers had attended PHN's education program class back in 2016 as an 8th grader! He shared that he feeds biscuits to local street dogs when he can and enjoys spending time with them. During our time in his neighborhood, this boy helped us to locate and catch dogs to be vaccinated. Education can be life-changing for both animals and youth! his Project Humane Nepal - Sneha's Care collaborative vaccination and sterilization program not only directly impacted the lives of the animals but positively changed the way the community perceives and plans to treat these street dogs. We overheard community members saying that they now feel safe around these dogs and no longer feel a need to cull them because they are now vaccinated against rabies. Project Humane Nepal - 2021
