Grant	In 2025, CUPA received grants from Help Animals India, USA. These funds were equally allocated across four core activities: the spay-neuter centres for dogs and cats, the Large Animal Rescue and Rehabilitation Center (LARRC), and the geriatric centre for dogs. All funds were used exclusively for stray and community animals. The spay-neuter programme for both dogs and cats recorded an approximate 30% increase in numbers, supported by HAI contributions. The geriatric centre upgraded existing kennels to accommodate more dogs comfortably and now houses about 80 senior dogs and 20 younger ones available for adoption. At LARRC, solar panels were installed to heat water and provide basic lighting for cattle sheds, significantly reducing electricity costs. CUPA is deeply grateful for Help Animals India's continued support in improving the lives of street animals in Bangalore.

	Animal Nepal continued a very special program in Lumbini, the birth place of Lord Buddha - we were able to continue to use our very own Lumbini Animal Clinic (started in 2024 by Help Animals India) which offers comprehensive veterinary services for street dogs including spay/neuter/vaccination , pet dogs from low income families and also street cattle of which there are many in Lumbini. In doing this, we are not just helping to advance the welfare of animals but also preventing the spread of zoonotic diseases and reducing incidences of human-animal conflict in this region. It's certainly been a privilege to be able to carry out this work in Lumbini, a place synonymous with compassion.	6,000	6,000	0

	Sneha's Care, Nepal is deeply and sincerely grateful to Help Animals India for their generous grant of USD 23,000 in 2025-support that has truly transformed lives. Because of this kindness, they were able to build a clinic at our new sanctuary-a place of healing, hope, and second chances. Every day, this clinic opens its doors to injured, abandoned, and suffering animals who have nowhere else to go. Dogs hit by vehicles, sick cats left to struggle alone, and countless vulnerable lives now receive the urgent care, compassion, and dignity they deserve. This support has not only strengthened our ability to rescue and treat animals in critical condition, but it has also allowed us to continue our daily work of rehabilitation-helping animals recover, rebuild trust, and experience comfort and love again. Each life saved, each wound healed, and each animal given a second chance is a reflection of this generosity. This support has not only expanded Sneha's Care capacity-it has brought hope to those who need it most.	23,000	23,000	0

Help Animals India has funded Humane Animal Society (HAS) in Coimbatore, in South India in the fight against rabies. Rabies is a deadly virus that evokes fear in most people, yet with timely vaccines, it is entirely preventable. While dog bites are the main cause of rabies-related fatalities in India, this doesn't mean every dog carries the virus. The possibility alone, however, is enough to ostracize the street dog population, with fear driving people to behave in irrational or even cruel ways toward them. In response, Our Mass Vaccination Drives began in 2024, and the Rabies Surveillance Program was inaugurated in June 2025. Since then, hundreds of dogs have been vaccinated, numerous carcasses tested for the virus, invaluable data compiled, and countless community members educated-ultimately providing lifesaving protection and information to both dogs and people.
